## **I. INTRODUCTION**

The Gaithersburg Election Regulations delineate the rules for candidates for public office and elected officials. They will be enforced by the Gaithersburg Board of Supervisors of Elections (BOSE), which is responsible for their interpretation. The BOSE may refer any matter regarding enforcement of these Regulations to the City Manager or City Attorney to assist with implementation or enforcement.

## **II. CITY RESOURCES**

On-duty City personnel, equipment, facilities, postage, City letterhead or official stationary, and funding, will not be used for promotion or opposition to any candidate for political office or political party for any office or by an organization or individual advocating for or against a particular issue on a local, state or national level. This would not preclude an independent, non-partisan organization from holding a candidate forum or debate in a City facility or for a debate or candidate forum from being televised in the manner outlined in these Regulations, nor would these Regulations prohibit the City from its lobbying efforts at the county, state and national level.
